#### Language

- English
- Tamil

#### Inter-personal skills

- Communication
- Problem solving and Decision making
- Flexibility
- Team work

#### Intra-personal skills

- Self-confidence
- Positive thinking
- Time management

#### EDUCATION

- **Bsc (Computer science) (Jun 2021 - May 2024)**  
Veltech Ranga Sanku Arts College (University Of Madras)  
Grade: 77.00%
- **HSC (Maths and Computer Science) (Jun 2019 - May 2020)**  
Government Higher Secondary School, Mittanamalli  
Grade: 58.50%
- **SSLC (Jun 2017 - May 2018)**  
Government Higher Secondary School, Mittanamalli  
Grade: 65.40%

#### PROGRAMMING SKILLS

Python

HTML

JavaScript

PHP

#### DATABASE DEVELOPMENT SKILLS

MySql

#### SUBJECT KNOWLEDGE

Software  
Engineering

Data  
Science

DBMS

DSA

#### AREA OF INTEREST

- Software engineering
- Full stack development

#### CERTIFICATIONS

- Software engineering and agile model (April 2024)
- Python language(April 2023)

#### PROJECT

##### SSMFITHUB - Gym management system (MARCH 2024) - College final year project

SSM FITHUB is a user-friendly workout journal app for managing gym franchises. It helps fitness enthusiasts track workouts, set goals, monitor progress, and share data with other franchise branches
